THE CONDUCTORS

MAX CULPEPPER

Wind Ensemble Conductor

Max Culpepper, Conductor of the All-State Wind Ensemble, was born, raised, educated and has spent his entire professional career in New Jersey. He was a member of the 1953 All-State Band. He holds B. S. and M. A. degrees from Trenton State College and taught in Brick Township and Sterling Regional High School before assuming his present position in Cherry Hill High School East in 1966. He also has taught at Trenton State College and Glassboro State College.

Mr. Culpepper has long been active in state and regional musical activities. He was a member of the State Board of Directors from 1973 to 1975, where he served as Chairman of the Band and Orchestra Procedures Committee. He is a past president of the South Jersey Band and Orchestra Directors Association and conducted the All-South Jersey Band in 1970.

He has been active as a performer on trombone, euphonium and viola and since 1966 has conducted the Cherry Hill Wind Symphony. Student Groups under his direction have performed widely at state and division MENC conventions, and his Symphony Orchestra will perform in Atlantic City at the March 1976 MENC National Conference under the auspices of the National String Orchestra Association.

WALTER MOORE

Symphonic Band Conductor

Conductor of the 1976 Symphonic Band, Walter F. Moore, has taught at Hanover Park High School since 1964. From 1964 to 1962 he taught in West Virginia, his home state. His A. B. degree was taken at Fairmont State College in that state and his M. M. from West Virginia University. He has studied at Trenton State College where he has also been an adjunct faculty member.

Mr. Moore has been active both in West Virginia and New Jersey in interschool activities. In West Virginia he served for two years each on the State Board and as President of the Band Masters Association. Likewise for two years he was on the NJMEA Board of Directors and served as treasurer during that time. For two years he was President of this state's chapter of the American School Band Director's Association and its National Convention Chairman for that group's 1976 meeting in Atlantic City.

He has been clinician, adjudicator and conductor of many state and out-of-state events, including the conductor of the North Jersey High School Band in 1967. He has taken great pride in having the largest number of students in the Region I Bands from East Hanover High School for each of the 11 years. His bands, which also year after year are highly represented in the All-State Bands, have traveled widely and received many honors for their performances.
