

Outstanding School Board Award

The New Jersey Music Educators Association seeks nominees for the Outstanding School Board Award. NJMEA presents an award to a local school board at the February NJMEA State Conference. This award acknowledges and awards outstanding school boards who exemplify superior support and commitment for quality music programs throughout all the grades of the school district.

Selection by the NJMEA committee is based on the following criteria:

A local school board must demonstrate the following:

- A. A significant contribution in support of the development of the district music program. This should include superior programs of sequential, curriculum-based music education.
- B. Advocacy for music education within the school district.
- C. Financial support commensurate to support a superior music education program of general, choral and instrumental music.
- D. Willingness to accept the award if it is bestowed and to participate in publicizing it.

Nomination music include the following materials:

- 1. Completed nomination form.
- 2. A statement from the School Board President or other officer of the school board in which a rationale is put forth for accepting consideration of the nomination.
- 3. A statement of support from the district superintendent which describes the district music education programs to be considered as evidence of achievement in music education.
- 4. A letter of support from two or more of the music teachers.
- 5. A letter of support from two local citizens, public officials or parents.
- 6. A black and white photograph of the school board suitable for publicity purposes including a list of their names as they are in the picture and the number of years they have served on the board.
